First: **13 September 2007**

Final: **13 September 2007**

This certificate is issued to **Skipper Electronics, Oslo, Norway**, to certify that the undersigned Surveyor to this Society did at their request attend their premises on the date stated above for the purpose of examining on completion the items mentioned below.

**5 off ETNST Transducer Tanks**

The items were inspected with respect to workmanship and materials only and found satisfactory.

Drawings have not been approved by this society.

For identification purposes the tanks were hard stamped thus:

LR OSL 0700569 OF

Odd Fredriksen  
Surveyor to Lloyd's Register EMEA

A member of the Lloyd's Register Group

Lloyd's Register, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register Group'. The Lloyd's Register Group assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register Group entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
