

# Inspection Certificate

Project: **TRANSDUCER TANKS**

Client: **SKIPPER Electronics AS Oslo, Norway**

Office: **Oslo**

Client's Order Number:

Date: **22 November 2010**

Order Status: **Complete**

Inspection Dates

First: **17 November 2010**

Final: **17 November 2010**

This certificate is issued to :

SKIPPER Electronics AS, Oslo, Norway, to certify that the Components described herein comply with requirements of the Rules and Regulations for Classification of Ships in connection with the intended service. The undersigned surveyor to Lloyd's Register EMEA, Oslo, Norway, did at their request attend at their works on the above date for the purpose of examining:

**12 off Transducer Tanks**  
**Drawing ref.: TB-2002-rev-00**  
**Material : S355J2H ( St52,0)**

The transducer tanks were now visually examined only and both materials and workmanship found satisfactory. Materials certificates and welding documentation sighted and found in order.

For identification purposes the items now have been stamped:

**LR OSL 1000524 RNK**

  
Rune Nyhus Kolbjørnsen  
Surveyor to Lloyd's Register EMEA

A member of the Lloyd's Register Group

Lloyd's Register, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register Group'. The Lloyd's Register Group assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register Group entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
