### **Delays due to Covid 19!**

SKIPPER experience delivery delay from most of the suppliers. This may influence the delivery performance from SKIPPER onwards. We are sorry for the inconvenience this may cause!

We do also experience increase in freight cost and delays throughout the market!

### **SKIPPER NE108-SA NMEA0183 Expander!**

The SKIPPER NE108-SA is a galvanic isolated NMEA0183 Expander with 1 input and 8 outputs. It may be mounted on a 35 mm DIN-Rail.

## Training courses in 2021

We are sorry to inform that due to the uncertain situation with the COVID-19, we have decided to cancel the SKIPPER technical trainings.

New dates for the training courses will be announced as soon as the situation has normalised. We are planning new interactive web courses. Please send an e-mail with the courses you are interested in to [service@skipper.no](mailto:service@skipper.no). If you have any questions regarding training courses contact: [support@skipper.no](mailto:support@skipper.no).
