

Jotron SKIPPER Newsletter

September 2024

Welcome to September Newsletter from Jotron SKIPPER!

Jotron SKIPPER with new EML1100/1200 speed log!

The EML1100 is our new single axis Electromagnetic speed log and the EML1200 is our new dual axis Electromagnetic speed log. These will replace the Compact versions of these products in the next couple of years. Both are now designed to work on INS bridges using the Open Bridge interface with redundant network options and using a web interface. Both systems are now extensively tested and will be available in Q4 2024.
